

# What happens to your cartridges?

1  
**Recycle your cartridges at a 'Cartridges 4 Planet Ark' collection box**

Organise one at your workplace or visit any of our many participating retailers or community centres for a drop-off.

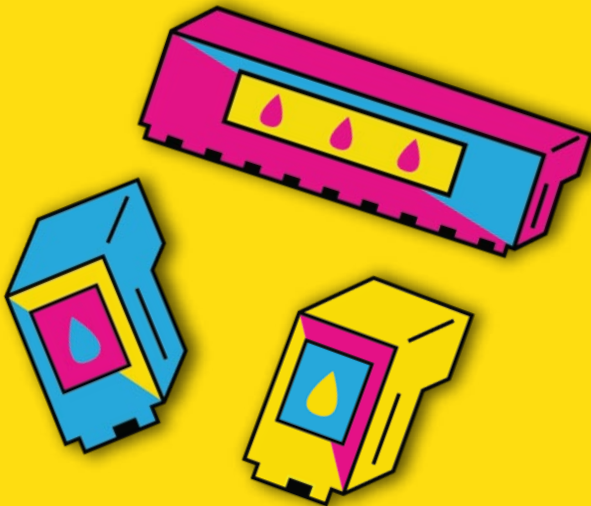

2  
Sent to 'Close the Loop' by Australia Post, they are manually sorted in Australia for various recycling processes.

**'Close the Loop' collects your cartridges for recycling**

3  
**Cartridges are processed in the 'Green Machine'**

This process breaks down the old cartridges into metal, plastic, and ink components for new use.

4  
Your cartridges are turned into tonnes of new products. From pens using recycled ink to TonerPlas roads from plastic.

**Clean plastic streams are reused in various applications**
